We will be reading excerpts from Colonel Asnake Engeda’s book *Zemen Yalsharew Yesetoch Abessa* this Sunday 7th of November as of 10 am Eastern time USA/ 16 hours in Europe in our paltalk chat room entitled International Ethiopian Women’s Organization Forum. If you have the book we invite you to come and read for & with us.

Colonel Asnake Engeda’s life is an exemplary one; he says up front things he believes in. For us his most extraordinary book is this one because it depicts women’s plight and their difficult lives throughout the decades.
