

Friends I knew who were killed by Derg's Red Terror Campaign.

Zeneb Maru: An Economist and a leader working at Ethiopian Edtebebat Association in front of Wabishebela Hotel was killed at the first round of Red Terror taken in front of Ledeta Mariam Church near (Dejach Balcha Hospital) with three church deacons.

Tameru Maru: his brother taken from Kerchela prison and killed. Both of them and their families are from French Legation area.

Yohannes Tigro: a very outstanding student at Shimeles Habte Secondary School killed by Derg regime who was living at Ilegehar Kebele 12 with his mom and brother. You can check at Shimeles Habte secondary school student record list in 1965 and 1966.
