

MAJOR INTERNATIONAL PUBLIC DEMONSTRATION

Remembrance of Fascist massacre of Ethiopians and protest against the war criminal Graziani mausoleum

In February 1937, 30,000 Ethiopians were massacred in a Fascist criminal invasion in Addis Ababa. During 1935-41, the Italian Fascists have massacred one million Ethiopians as well as destroyed 2,000 churches, 525,000 homes and 14 million animals. The Vatican was also complicit as its bishops blessed the criminal invasion as if it were a holy mission.

This international protest will take place in memory of all the victims of the atrocities and in order to demand:

- (a) The payment of adequate reparations by the Italian Government to Ethiopia;
- (b) Restitution of looted Ethiopian properties by the Italian and Vatican Governments;
- (c) Inclusion in the United Nations records of the Fascist war crimes in Ethiopia;
- (d) Dismantlement of the Graziani mausoleum in Affile, Italy
- (e) A Vatican apology to Ethiopia for its complicity with Fascist Italy
